MEMBER ADVANTAGE USED VEHICLE SERVICE CONTRACTS

**A MEMBER ADVANTAGE
USED VEHICLE SERVICE CONTRACT
IS A WISE INVESTMENT WHEN
PURCHASING A PRE-OWNED VEHICLE
WITH HIGHER MILEAGE.**

ADDITIONAL BENEFITS

ROADSIDE ASSISTANCE

You will be protected by Roadside Assistance for the full term of this contract. Benefits include Towing, Flat Tire Changes, Jump Starts, Fluid Delivery, Lockout Service, and Concierge Service. Member Advantage will cover up to \$100.00 per occurrence for your protection (less the cost of parts or fluids required).

TRIP INTERRUPTION

You also have the added protection of expense coverage for overnight stays and meals incurred if you are left stranded due to the failure of a covered component and you are more than 100 miles from your home. Member Advantage provides up to \$75.00 per day (maximum of 3 days) for trip interruption.

ALTERNATE TRANSPORTATION

Member Advantage provides up to \$30.00 per day (up to a maximum of \$150.00) for alternate transportation if your vehicle is in a repair facility undergoing repairs for a covered component.

UNLIMITED NUMBER OF CLAIMS

The number of claims on your vehicle is unlimited. The total amount of coverage can be as high as the value of your vehicle.

NATIONWIDE COVERAGE

Your Member Advantage contract is honored in both the United States and Canada. If you happen to be traveling, you can have peace of mind that repairs of a covered component will be taken care of for you. Just call our toll free number for prior approval.

Offering added peace of mind and security with:

- **Mechanical Breakdown Coverage**
- **Rental Reimbursement**
- **Trip Interruption Coverage**
- **Roadside Assistance**

Member Advantage is underwritten by an "A" rated (by A.M. Best Company) national insurance company. This brochure is for illustration purposes only. The actual coverages, exclusions and limitations of the contract may vary from state to state based on the program chosen by the customer. Certain restrictions apply. See your Credit Union Loan Officer for details.

Considering today's skyrocketing fuel and maintenance costs, the last thing you want to worry about is unexpected repairs when purchasing a used vehicle.

A Vehicle Service Contract from Member Advantage is one of the best investments you can make. Designed especially for pre-owned vehicles with up to 125,000 miles, this program is available at any time to all credit union members.

Don't take chances. It is never too late to protect your investment and find peace of mind with a Vehicle Service Contract from Member Advantage.

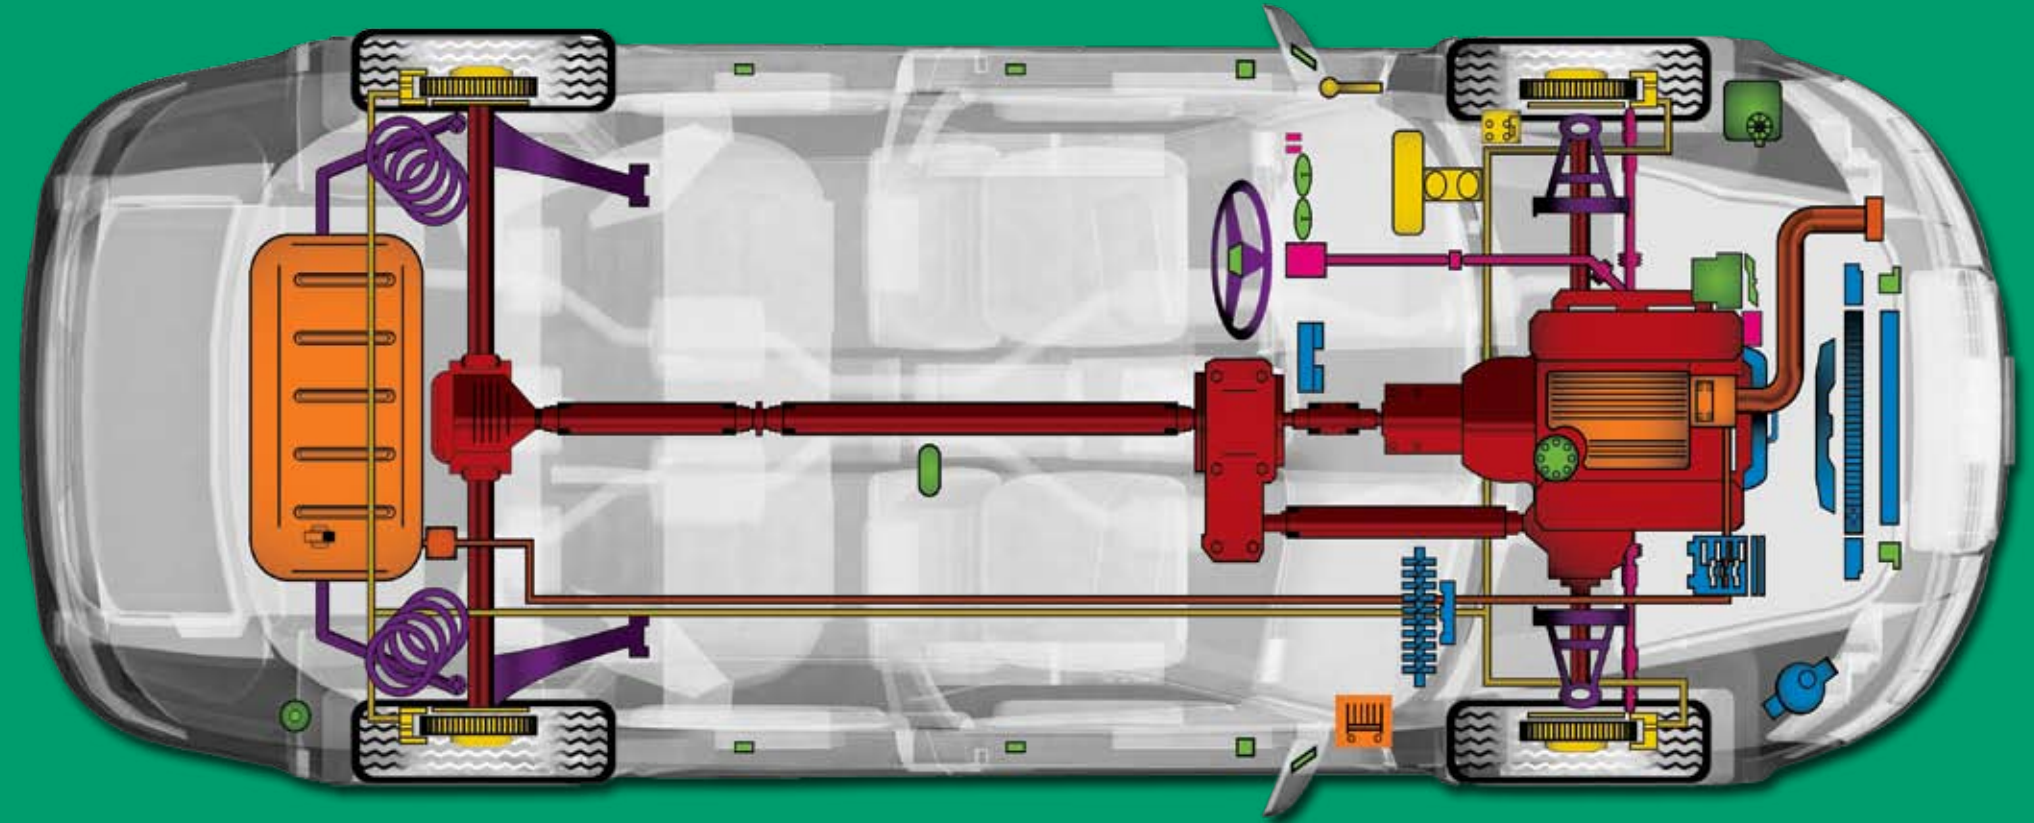

COVERED PARTS

The Covered Parts for the Member Advantage program are listed below within each vehicle system. *The vehicle systems listed are NOT Covered Parts.*

- **ENGINE:** Cylinder block and heads and all internally Lubricated Parts; fuel pump; oil pump; water pump; harmonic balancer; turbocharger; supercharger; timing gear, chain and belt; timing cover; intake and exhaust manifolds; valve covers, oil pan; and engine mounts; flywheel; belt tensioners; cam gear bolt; harmonic balancer bolt and head bolts. *(The repair of valves or rings, if the purpose is to raise the engine's compression, is not covered.)*
- **TRANSMISSION/TRANSAXLE:** Transmission case and all internally Lubricated Parts; Transmission cooler; torque converter; flex plate; vacuum modulator; transmission mounts; transmission pan; and electronic shift control unit.
- **TRANSFER CASE:** Transfer case and all internally Lubricated Parts.
- **DRIVE AXLE(S):** Drive axle housing and all internally Lubricated Parts; axle bearings; locking hubs; 4x4 actuator; drive shafts; universal joints; center support/carrier bearings and differential cover; and constant velocity joints unless failure was caused by neglected, torn, cracked or perforated constant velocity joint boot. Constant Velocity joint boots are not covered under any circumstances.
- **AC/HEATING:** *(Includes only factory or dealer installed equipment)* Condenser ; compressor, compressor clutch, pulley; evaporator; temperature control programmer; accumulator; drier; expansion valve; idler pulley; heater core and blower motor.
- **SUSPENSION:** Control arms; control arm shafts, bearings and bushings; radius arm; radius arm bushing; stabilizer bar, link and bushing; spindle; spindle support; wheel bearings; torsion bars; coil springs; hub assembly; ball joints; king pin and bushings.
- **STEERING:** Steering gear box or rack and all internally Lubricated Parts; power steering pump; steering column shaft and couplings; pitman arm; idler arm; tie rod ends; and drag link.
- **FUEL/ENGINE MANAGEMENT:** Fuel injector pump; fuel injectors; fuel pressure regulator; fuel tank; fuel sending unit; fuel gauge; metal fuel delivery lines; idle speed motor; manifold pressure, manifold temperature, throttle position, mass air flow, oxygen, coolant temperature, vehicle speed, camshaft, and crankshaft angle sensors; primary fuel injection computer; air control valve; and MLP sensor.

MEMBER ADVANTAGE COVERAGE

COVERAGE FOR MOST PRE-OWNED VEHICLES REGARDLESS OF AGE OR MILES (UP TO 125,000 MILES)

- **ELECTRICAL/HIGH TECH:** Alternator; generator; voltage regulator; starter motor; starter solenoid; and starter drive and ring gear; Power seat motor; power antenna motor; power window motors; power door lock actuator; sunroof/convertible top motors; driver information gauges/indicators *(burned out lights/bulbs/lamps are not covered)*; central dash power supply; cruise control module and servo/transducer; ignition module; ignition switch; headlight switch; turn signal switch; horns; distributor; windshield wiper motors; windshield wiper delay switch; windshield wiper linkage; windshield washer pump; window regulators; door locks; power trunk release; wiring harness; cruise control assembly; ignition lock cylinder and manually operated switches.

- **COOLING:** Radiator; engine cooling fan motor; radiator fan and fan clutch; and coolant recovery tank; radiator fan shroud.
- **BRAKE:** Master cylinder, power brake cylinder, vacuum assist booster, disc brake calipers; wheel cylinders; parking brake actuator; compensating valve; hydraulic lines and fittings; Anti-Lock Brake System (ABS) accumulator, control module, pump, motor, reservoir, and wheel speed sensors.
- **SEALS and GASKETS:** Leaking seals and gaskets on any covered part listed above. Minor loss of fluid or seepage is considered normal and is not considered a Mechanical Breakdown.
